

Progress Reports and Conferences

On **Monday, November 22**, your child will be bringing home his/her **Term 1 Student Progress Report**. The purpose of the progress report is to communicate your child's progress with you. The student progress report reflects your child's achievement and effort with the specific strands being taught from the curricula. It is important to keep in mind that the progress report is one part of a reporting system. Conferences are also an excellent opportunity for the sharing of additional information and examples of your child's work.

This year, conferences will look similar to last year. Homeroom teachers will share specifics of how it will look in each classroom but families will be invited to view student work, in the form of a portfolio, as well as share success and areas of further growth. The work that the children will showcase demonstrates their effort, progress and achievement. It is our hope that the sharing of the learning journey will provide you with the evidence of your child's growth in his/her schoolwork and support for the achievement scores on the progress report.

Teachers will meet with each family (either virtually or with a phone call) regarding student progress and goals for the second term. The evenings (4-7pm) of November 24th and 25th have been set aside for these meetings.

****A special note to parents of students in Prekindergarten and Kindergarten****

A progress report is not issued for prekindergarten or kindergarten (Term I only) students. Conferences will be a time for classroom teachers to share student progress.

We look forward to connecting with you in November!

As the weather turns colder, just a reminder that students head outside for recess throughout the day (before school, morning and afternoon recess and noon hour). Please ensure your child has warm clothing for this cool weather including: mitts, a touque and a warm jacket. When it snows students should have ski pants and winter boots as well.

Our school has been given a number of rapid self-test kits. If your family is interested in a kit, please call Ms. Bartake to make arrangements to pick one up. A reminder from SHA that the kits are for asymptomatic people and are used as a screening tool. The recommendation is to seek PCR testing through the Saskatchewan Health Authority and stay home at the first-sign of any symptoms.

As a symbol of remembrance, the students are invited to wear red on Tuesday, November 10th. Poppies for each student will be provided by the Melville Branch of the Royal Canadian Legion. Donations will be accepted until November 10th. Students will participate in a virtual Remembrance Day Service in their classrooms (November 10th at 11:11). In recognition of this important day, students in grades 1-4 will create posters for Legion's Annual Remembrance Day Contest.

A reminder that the school will be closed November 11th and 12th. We return to school Monday, November 15th.

In the days to follow Halloween, please limit the number of treats in the lunch to *one* treat per day. A Halloween treat can be eaten during lunch. Other snack items should be eaten for recess snack.

St. Henry's Parish invites all members of the community to the **Christmas Bazaar and Bake Sale** on Saturday, November 20, 2021 from 9:00am to 1:00pm. Get your Christmas baking, perogies, soups, pies, crafts and plants! Enter your name for a chance win a door prize. Buy your tickets for a chance to win the Raffle or 50/50 draws! Visit STHENRY.ca for more information.

Also, we welcome donations of baking and/or craft items from any St. Henry's families. Contact the parish for information regarding drop off dates and time.
