Building Great Character...One Virtue at a Time

Dear Families,

We appreciate your attendance (in person or on the phone) at our November Student-Led Conferences. Your presence reinforces to your child your commitment to their education and we so enjoyed seeing you back in the hallways of our school.

Our École St. Henry's Junior Family will be very busy this Advent as we prepare our hearts and minds for the birth of Jesus. Each week we will journey with Advent prayer celebrations and our students will be lifting their voices in song as they get ready for our in-person Christmas concert. In addition to all the great learning that happens each month, students will also be spreading cheer by writing letters to Seniors and creating cards for those that are secluded this holiday season.

As your family prepares for the holiday season, we wish you joy and hope for a safe a blessed Christmas!
