

Dear Families,

Our École St. Henry's Junior Family will be very busy this Advent as we prepare our hearts and minds for the birth of Jesus. Each week we will journey with Advent prayer celebrations and our students will be lifting their voices in song as they get ready for our Christmas concert (details below). We also look forward to a jam-packed month with events such as School Skating, creation of Christmas projects, and a variety of spirit days on top of our regular learning plans. We know it will be a busy season, but one filled with love and laughter.

As your family prepares for the holiday season, we wish you joy and hope for a safe a blessed Christmas!

Dear Parents/Guardians:

The Government of Saskatchewan has partnered with Shoppers Foundation for Women's Health to provide 12 million menstrual products to locations where there is need over the next three years.

At this time, more than three million free menstrual products, consisting of pads and tampons, are being shipped to school divisions and transition houses across the province.

Christ the Teacher Catholic Schools has received the first shipment of products and is in the process of delivering to each of our schools.

The intent of this program is to provide access to these products to support students in greatest need. Our school staff will make the products available in a manner that reduces stigma, includes gender sensitivity and cultural appropriateness, and facilitates easy access to products.

More information on how students can obtain the free products will be provided by each individual school.

If you have any questions, please reach out to your school's administration.

Sincerely,

Trevor Baker
