

Dear Families,

As our calendar changes over to the busy month of February, we wanted to update you on just a few of the many things that will be happening at our school in the next few weeks. We look forward to recognizing and celebrating Black History Month, Indigenous Storytelling Month and the Winter Olympics which are important to our school and the larger community. Prior to the break (February 19-23) some of our classes will also recognize the 100th day of school!

In addition to these many activities, Valentine's Day is also Ash Wednesday and the beginning of our Lenten Journey. We will spend time daily reflecting and praying both individually, as a class and as a larger school community. We will begin this journey with an opportunity to participate in an Ash Wednesday prayer celebration and in March our journey will continue with a special Holy Thursday celebration. We look forward to sharing our journey with you!

In addition to this jam packed month, our school is also fortunate to get to recognize French Second Language Week (February 5-9). This year's theme is: A perfect time to celebrate the FSL community! ~ Un moment parfait pour célébrer la communauté FLS! and we could not agree more!

Wishing you and your family a wonderful (and busy February) and a Lenten season of praying, fasting and almsgiving!

Family Literacy Day Project

Thank you to all our students and their families for participating in our Literacy Project this year! We loved seeing the games you played, the snacks you made and the books you read. As a final project we encouraged staff and students to dress as their favorite book character on Friday, February 2! Keep watching social media for pictures of our families and our final draw winners!

It's time to Register for Kindergarten and Apply for Prekindergarten!

We invite parents to register children born in 2019 to register for the 2024-25 Kindergarten program. We are also accepting applications for the Pre-Kindergarten 2024 - 2025 school year program. Children who will be 3 or 4 during the 2024-25 school year are invited to apply.

We are so excited to welcome you to the École St. Henry's Junior Family!
