Christ the Teacher Catholic School Division No. 212

Dear parents,

We have provided parents of bus students with three options from which to choose from that will respect parent & student wishes as well as inform the school of which students can and cannot leave school grounds during the noon hour.

In order to help the school manage the attendance of bus students at school during the noon hour, please check off any one of the following three options.

I do not wish to have my child leave school grounds during the noon hour at anytime.

I wish to allow my child to leave school grounds during the noon hour only on days where he/she provides to the school with a **Lunch Hour Permission Slip**.

I wish to allow my child to leave school grounds during the noon hour on any day he/she wishes to leave.
