## **Nutrition Program**

September 22, 2020

Welcome Families!

Once again we are pleased to offer the students of St. Mary's School a healthy nutrition program for our 2020-21 school year.

Our Breakfast for Learning Program is available between 8:30 a.m. to 8:50 a.m. on school days. If your child would like breakfast, we ask that you have your children come to the kitchen to pick up a breakfast and proceed to their classroom to eat at their desk.

Children from Kindergarten to Grade 3 are required to bring a nutritious snack from home. Children have snack in their classroom during snack time with the class scheduled by the teacher.

The Lunch Program is available to all children from Kindergarten to Grade 8. The cost of lunch per day is \$1.00 for each student. A menu will be sent out prior to the beginning of each month. Simply select the lunches from the menu you would like to have for the month. Return the completed menu form and money by the deadline date given each month to ensure your child receives lunch. Any unmarked days will require your child to bring a lunch from home.

If you require special arrangements or any additional information please call Mrs. Villeneuve or Mrs. Klemetski.

We look forward to serving your children.
