

Dear Parents and Guardians,

January 2021

Fundraising is a necessary part of any non-profit organization. Your SCC uses the fundraising money that is collected to put towards our school's necessities such as: Chromebooks, field trips, IXL and many other enriching programs and activities for our students. In a normal year, we would have had great success with hot lunches, Christmas raffle and a Spring raffle to mention a few. Buying and selling in these times is not necessarily the easiest thing to do.

This year, your SCC is excited to offer a new initiative towards helping the students at St. Michaels. This is being done by providing a fundraising "opt - out" option for those families that want to support the SCC in supporting the students, without having to solicit friends and family.

This donation will **100% DIRECTLY** benefit St Michaels students. We are not asking you to buy anything else. No raffle tickets or loonies and toonies for bake sales. All money donated will be directed towards initiatives for the students. Please keep in mind when making your donation, that this is the one and only time that we are running this "opt - out" fundraiser.

Cash, Cheques (made out to Christ the Teacher Catholic School #212) and Credit Card will be accepted. Please send any donations back to the school in a sealed bag or envelope marked "Opt - out" Fundraiser or call the office to make a Credit Card payment over the phone to make things even easier for everyone and better yet contactless!

Please help us to achieve our goals and continue to help support our students and teachers.

_____ I love St Michaels, but have plenty of useless things already. Here's my \$25 instead.

_____ We're lazy and we wouldn't have sold anything anyway, here's my \$50 instead.

_____ I'm making this donation in appreciation of not having to buy, sell or generally do anything except complete this form, Here's my \$_____.

We will gladly accept any amount that you are generously willing to make.
Thank you for your support of the St. Michaels SCC and it's students and teachers.

St Michaels SCC
