Please Note: It is believed that supplies purchased by the school should last the entire year. However, in some cases, we have experienced times when students have lost or misused these items. In these cases, it is expected that parents will have to replace supplies as needed. **Our school is set up with schoolstart.ca, where you can purchase your school supplies online and get them shipped to your house before school starts in the fall. Our school gets \$5/kit back to our school. Check it out at schoolstart.ca!
