Christ the Teacher Catholic School Division is committed to reducing the school start-up costs for our families by eliminating Kindergarten to Grade 8 school fees and providing each child with the basic consumable school supplies that they will require for the year.

**Brand names were chosen because of their quality & durability.

**Our school is set up with schoolstart.ca, where you can purchase your school supplies online and get them shipped to your house before school starts in the fall. Our school gets \$5/kit back to our school. Check it out at schoolstart.ca!

One healthy snack required daily. Please do not pack your child's snack in his/her lunch kit. Please pack child's snack separately in his/her backpack. This prevents confusion over snacks and lunches. Lunch kits may be used for noon lunches if your child is required to stay for lunch. However, we encourage children to go home for lunch, if possible, as it is a long day for young children. Please have your child practice opening and closing their lunch containers/packaging.
