## February Newsletter

Dear Families,

February has many symbols of stewardship – a way of life. Valentine hearts remind us to love one another, on the Family Day holiday we should cherish time together, and pink T-shirt anti-bullying awareness day helps us show kindness and compassion. Saint Valentine was a great role model for us to show our appreciation and love for the people in our life, not just in February but all year long.

Mrs. L. Klemetski

### Friendship Week – Mon. Feb. 11 – Fri. Feb.15

Thanks to the SCC for helping us celebrate Friendship Week. Each student will have a secret partner to share a gift with every day that week (Kindergarten will exchange on MWF that week only) such as hand-made gifts, note of compliments, small candies or treats. We will have extra gifts available if someone forgets one. This is a great way to show your friendliness toward your friend, just like St. Valentine would have done. Parents please support this by helping your child be prepared for their gift giving and receiving.

### Telemiracle 43 Fundraising

We will once again collect donations for Telemiracle. The Yorkton Kinsmen will come on Thursday, February 28 to collect the donations we have gathered as they are on their way to answer phones on the Telemiracle TV broadcast on March 2<sup>nd</sup> and 3<sup>rd</sup>.

We ask each family to take a pledge book and collect money and pledges that go toward the Telemiracle Foundation. All money raised stays in Saskatchewan to assist people to acquire special needs equipment and access to medical treatment. For every \$5 brought in by each family, the childrens' names will be put into draws for various prizes as a thank you for all your hard work.

Thank you for your donations toward

**Thank you** to the Village of Theodore and Jeff at the rink who has sponsored all our students to participate in school skating by waiving the ice fee.

**Thank you** to Father Ray Lukie who celebrated the Epiphany water blessing service with us in January. Blessed water is available at the school for anyone who would like to have some. Please bring your own container.

**Thank you** to Masson and Gabe from PULSE who held a retreat for us. It was awesome to learn about how the Holy Spirit helps us to get to know God, helps us become more like Jesus, and gives us spiritual gifts to serve others. May we share our gifts and service with others.
