Summer Newsletter

Dear Families,

This school year has been one that we will never forget. Among all the changes, we especially remember the many blessings that have made many lasting memories.

- Thank you to the Theodore Health Centre residents and staff for a great partnership to build relationships.
- Thank you to the SCC for the gifts for the students, and for all you do throughout the year.
- Thank you to the Theodore ABC Daycare for providing the students with wholesome hot lunches and being such an amazing school partner.
- Thank you to the staff who have been an excellent team this year.
- Thank you to parents, grandparents, families and community for your continuing support of Catholic Education.
- Welcome to Mrs. Morrison who will be the new principal at St. Theodore in the fall.

In closing, these past 12 years at St. Theodore have been amazing. During the school closing I've spent lots of time learning about courage and gratitude from Dr. Jody Carrington. She says to "Go big, start small" and I'm proud to say I've started out at St. Theodore. I challenge you to go out, take risks, always be kind and remember to be thankful. God bless your summer!

Mrs. L. Klemetski

RETURN TO SCHOOL PLANNING

As we make plans to return to school, we continue to develop contingencies in the event of other restrictions are put in place. We will continue to take direction from Saskatchewan Health Authority, the CMHO and the Ministry of Education.

In August, we will be able to share more details about what the return to school looks like. At the very least, expect a number of things to be different, such as cleaning protocols, personal hygiene practices, recess procedures, building entry and exit, and movement throughout the building. Any additional aspects will be communicated in August.
