ADMINISTRATIVE PROCEDURES

SECTION:	200 – INSTRUCTIONAL PROGRAMS & MATERIALS	CODE:	AP 235
PROCEDURE:	DRIVER EDUCATION		

BACKGROUND

The Division will provide eligible students with a program that focuses on the safe and competent operation of motor vehicles. The driver education program will be delivered by qualified instructors who may be employees of the Division, or persons contracted by the Division to provide the service.

PROCEDURES

1. The Division shall offer only the driver education course of study that is issued by Saskatchewan Learning.
2. The driver education program shall be contracted to a reputable driver education firm approved by the Director.
3. Students fifteen (15) years of age and older shall be eligible for enrolment in the Division driver education program.
4. The Principal, in consultation with the driver training instructor, shall establish the schedule of in-class instruction.
5. The driver education instructor shall provide:
 - 5.1 Thirty (30) or more hours of classroom instruction; and
 - 5.2 Six (6) or more hours of in-car instruction.
6. Notwithstanding the DREAMbuilders program may be modified to accommodate student needs.
